Milan, April 7, 2021- Edison informs that, during the period from February 18, 2021 to March 31, 2021, in which the voluntary conversion of Edison saving shares (listed on the Mercato Telematico Azionario - MTA – managed by the Italian Stock Exchange) into Edison ordinary shares (not listed on the MTA) took place, requests for conversion were presented for a total of no. 50,128 savings shares, equal to 0.046% of the capital in the same category.

It is recalled that, as specified in the Report of the Board of directors for the exercise of the voluntary conversion of savings shares (published on February 18, 2021 on the Company's website), as well as in the notice published in MF-Milano Finanza on February 19, 2021, the ordinary shares resulting from the conversion were excluded from the reduction of the capital represented by ordinary shares resolved by the shareholders' meeting of March 31, 2021 (in progress).
