EDISON EXTENDS THE GAS SUPPLY CONTRACT WITH SONATRACH UNTIL 2027

Alger, November 12nd, 2019 - Edison and Sonatrach (Algeria's national hydrocarbons company) have concluded an agreement to extend the existing gas supply contract until 2027. The contract will grant Edison an eight-year supply from Algeria of one billion cubic meters a year.

This Agreement, strengthening the long-term relationship between the two companies, provides Edison and Italy with more diversified and reliable sources of natural gas, diversifying its supply sources, increasing security and gaining access to a reliable source of natural gas.

Edison is a leading Italian and European operator in the supply, production and sale of electricity, in energy and environmental services. Founded over 135 years ago, Edison has contributed to the electrification and development of Italy. It now operates in Italy, Europe and the Mediterranean basin, employing 5,000 people. Edison's electric power plants have a total capacity of 6.4 GW in Italy.
