

## PRESS RELEASE

### **EDISON: Fenice Qualità per l'Ambiente, FCA Group Purchasing and CNH Industrial Italia define an agreement of principles for the renewal of the energy and ecological services' contract**

Milan, 29<sup>th</sup> December 2017 - Edison announces that its subsidiary Fenice Qualità per l'Ambiente SpA and FCA Group Purchasing S.r.l. and CNH Industrial Italia SpA today defined an agreement of principles for the renewal of the energy and ecological services' contract. Thanks to the agreement, Fenice will continue to carry out the activities of transformation and distribution of electricity, production and distribution of thermal energy, compressed air and industrial water, drinking and demineralized, as well as the management of waste water treatment plants, through its own plants located in a series of establishments belonging to FCA and CNHI.

#### **Edison**

*Edison is a leading player in Italy and Europe in the procurement, production and sale of electricity, in the provision of energy and environmental services thanks also to its subsidiary Fenice and in the E&P sector. Founded over 130 years ago, Edison has contributed to the electrification and development of Italy. It now operates in Italy, Europe and in the Mediterranean Basin, employing 5,000 people. In the power generation sector, Edison has plants with total capacity of 6.5 GW. [www.edison.it](http://www.edison.it)*

*Fenice is a specialist in energy efficiency solutions for industry, and in broad scope's environmental services. It designs, sets up, manages, maintains and optimizes customers' energy facilities, so as to reduce the productive costs of energy-intensive companies. <http://www.fenicespa.com/>*
